### Reasonable Adjustment

The Pony Club is committed to ensuring that, wherever possible, members are able to access all aspects of the Branch and Centre activities we offer. Reasonable Adjustments are any actions that help to reduce the effect of a disability or difficulty. Reasonable Adjustments can be used for the Pony Club Tests and should be approved in advance of the Test taking place. Reasonable Adjustments can also be used to allow for members to take part in activities or competitions. As with Tests, these adjustments should be approved in advance of the activity or competition.

### How to apply for a Reasonable Adjustment

The application is via the Reasonable Adjustment Application Form. This Form must be submitted, accompanied by the member's Personal Profile and relevant documents from a healthcare professional, to the relevant person (Test Organiser, Competition Secretary, Rally Organiser) at least two weeks before the activity is due to take place.

More information, including the forms, can be found here:

<https://pcuk.org/officials/equality-diversity/reasonable-adjustment/>

If you would like to apply for a Reasonable Adjustment for your child, please contact the Secretary for more details.
