Notes

Please can each Pony Club Branch / Centre allocate a Team Manager. The Team Manager should collect the envelope from the organisers' table and they should distribute to their competitors. On the day there will be no secretary, but a table with information packs will be available to collect shoot cards etc.

Shooting

All competitors are to wear the regulation clothing and safety glasses. The organisers reserve the right to refuse entry to competitors wearing incorrect clothing. Please can all competitors and/or their helpers ensure they are confident with loading and shooting their guns and how to deal with issues. We do not have spare gas on site for gas guns – it is your responsibility to bring this.

Swimming

Those entered into the baby beanie class will swim widths at the shallow end of the pool. There will be no lanes. Swimmers may use swim aids but those who do will be awarded maximum points score of 25m distance swam. The big beanie class will swim lengths of the full pool and must not have a swim aid. We have split this class as a result of high numbers last year and to reflect the fact that some can swim the full distance of the pool. Please enter your child in the appropriate class.

Running

Runners will be set off at 1 minute intervals on the day. A start time for each class will be given rather than individual start times. Running will run in number order. Please make sure you arrive ready for the start of your running section.

Live scoring and rosettes

Live scoring will be available on both days via pony club results.

Prize giving will be as soon as possible in the afternoon after the running has finished.

Dogs are not permitted on any site.
