13th December 2024

Dear Members,

Please see the below information regarding the Christmas Rally at Hyperion on Sunday with Gail Eden. We are so grateful to be able to use facilities such as Hyperion for our rallies.

Horse box parking - continue past the indoor arena and down the track to the parking area.

Please remember to clear up after your pony, both in the arena and the parking area.

Dogs are not allowed at Hyperion. The stable area is out of bounds and children must be supervised at all times.

Should you have any problems on the day, please contact Lisa Carr on 07966 767053
