Format:

The gate steward will welcome entrants into the class, checking their numbers against the list. The class will then complete a “go round” the outside of the ring as a complete class on both reins; the ring steward will ask the competitors to change the rein across the diagonal.

- In Classes 9, 12, 13 and 16 this go round will include all three paces, including walk, trot and canter in formation. Class 9 will also be asked to complete an extension down one side one by one when given the signal by the ring steward.
- Class 15 will complete a go round in formation in walk and trot only.
- Classes 10, 11 and 14 will complete the go round in walk and be asked to trot down one side one by one when given the signal by the ring steward.
- Class 8 will complete the go round in walk only.

The class will then be asked to line up by the ring steward. This may be in any order or in the order in which the judge has asked to see the entrants.

Each competitor in all classes, except Class 8, will then be invited by the ring steward to come out of line, stand in front of the judge for their inspection before completing an individual show. The judge may ask for a particular show or leave it to the competitor. In this case, the usual show for all classes except lead rein and in hand is:

- Walk and then trot in a straight line away from the judge,
- Complete a first loop of a figure of eight in trot,
- Cross the diagonal to change the rein and pick up canter for the second loop of the figure of eight
- Cross the diagonal again to change the rein and pick up canter for the third loop of the figure of eight.
- Coming out of the third loop, push into an extension down the long side before returning to canter, trot and walk.
- Halt where the judge has a good view of your pony and salute the judge.
- Return to your place in the line.

The individual show for lead rein and in hand classes is the same except that the competitor will complete only two loops of the figure of eight and only in trot.

The hunter class will be stripped and Classes 12 and 13 may be stripped at the judges' discretion: after completing your show, you will return to the line-up, remove saddle and any martingale before presenting your horse or pony to the Confirmation Judge. For those who are new to showing, this entails standing your pony/ horse up square for the judge to have a look at before walking away in a straight line from the judge, turn your pony and trot back in a straight line to and past the judge (they will move, keep straight!). Trot away from the judge and bend to the right before halting your pony and saluting the judge. Return to the line, replace your tack and remount.
