Top-class equine care for Buckinghamshire and beyond

Our clients range from many individual leisure horse owners and pony club members, through to competition riders, racing stables and internationally renowned studs. So, you can be sure that we have the experience and knowledge to meet your individual needs.

Our experienced equine veterinary surgeons are dedicated to our RCVS Accredited Equine Practice.

We pride ourselves in ensuring the treatment we recommend is appropriate to the stage of any illness or injury. We work with you, to both ensure your horse's quickest recovery and to minimise the costs to you, giving great value.

Physivet Sponsorship

Mobile veterinary physiotherapy covering Herts, Beds and Bucks
We offer treatment for both horses and small animals

Physiotherapy treatment can be beneficial for multiple reasons, including maintenance check ups for performance enhancement, injury prevention and to avoid behavioural issues from discomfort, as well as rehabilitation for injury recovery.
