Class 2: 70-85cm

Class 3: 80-95cm

All entries via horse-events.co.uk - please book early to avoid disappointment as spaces are limited to 10 per class size. Times will be posted 48hrs prior to event.

Please note - competitors time will be strictly adhered to due to daylight restrictions.

For pupils aged 18 and under. Due to daylight limitations all competitors will ride in the indoor arena. Each entry will receive a supervised warm up with Jess Hooley, competitors will then be held ringside and compete at their drawn time. The course will consist of 12 fences, each competitor is required to commence their round by jumping over 'start' fence and conclude course by jumping over the designated 'finish' fence. The middle ten fences will be awarded different points in consideration of the size and technicality of the fence. Jockeys ride course of their own design from the second to the penultimate fence, the aim of which is to accumulate the most points in the quickest time. Each fence cannot be jumped more than twice in one direction. All fences can be jumped in both directions. Each refusal is 4 faults, each knocked top pole is 4 faults. Three refusals is elimination. Competitors accumulate points across the three qualifying shows with the top ten highest total scores for each section will qualify for championship show.
