Classes 1, 2, 4 & 6 will be run under BS ruling as a two phase competition. Prizes to third place rosettes to tenth place.

Classes 3, 5 & 7 will be run under the following rules. The course will consist of 12 fences, each competitor is required to commence their round by jumping over 'start' fence in the indicated direction and conclude course by jumping over the designated 'finish' fence in the indicated direction. The middle ten fences will be awarded different points in consideration of the size and technicality of the fence. Jockeys ride course of their own design from the second to the penultimate fence, the aim of which is to accumulate the most points in the quickest time. Each fence cannot be jumped more than twice in one direction. All fences can be jumped in both directions. Each refusal is 4 faults, each knocked top pole is 4 faults. Three refusals is elimination as is a fall. Timing commences as all four feet land after the first fence and concludes as all four feet land over the last fence. Rosettes to tenth place, goodie bags to third place and sashes for the winner in each accumulator class.
